Grandma Dear, & Grandpa
your nice "Get Well"
letter came today. I am
back in school today and
so glad to be feeling good
again. I did have a good
heavy touch of the flu
but was taken to F. B.
Worth where I received
excellent care and good
food until I recovered. Mother
also sent me some money to
help. I also appreciate what
you sent and am thankful
to the Lord that I am
back on my feet again.
Love you both;
Norman
